

PNNL-UTM GCAM Training 1

Aug 18, 2022

PNNL

PNNL is operated by Battelle for the U.S. Department of Energy

Agenda

- Subcontract
- Meeting with DBKL – 7 Sep
- Pending Stakeholder Outreach
- GCAM Training Session

DBKL Meeting – 7 Sep 2022

- Overall focus
 - High-level narratives & Policies being considered
 - Net-Zero Pathways
- Questions
 - Are the 2050 targets CO₂ or GHG?
 - Are the net-zero/carbon neutral pathways linear, or a different pathway?
 - For net-zero, what are the negative emissions assumptions?
 - ✓ Net-zero within the city boundary, or do they consider offsets and land use outside the city?

Pending stakeholder outreach

- KASA
 - Ministry of Water and Environment, Climate Change Division
- SEDA
 - Mr. Steve Anthony Lojutin, Director of Energy Demand Division
